The Aristotle classes on PH & ACHD

11-12 October 2024

Mediterranean Palace, Thessaloniki, Greece

Call for Abstracts

The Aristotle Classes on PH & ACHD will be held from 11 to 12 October 2024 in Thessaloniki, Greece.

The aim of this international meeting is to provide physicians and researchers with a comprehensive state of the art in the rapidly evolving field of pulmonary hypertension and adult congenital heart disease.

It will also offer a unique opportunity for networking and for discussing future areas of research and collaboration projects.

Participants are invited to submit abstracts for e-poster presentation.

Rules (formal criteria) for submission:

- 1) Original work on the topics of pulmonary hypertension / adult congenital heart disease (Please note: reviews will not be accepted)
- 2) Work unpublished at the time of submission
- 3) Abstract file: word (.doc, .docx)
- 4) Abstract in English language
- 5) Abstract format:
 - Title: maximum of 200 characters (including spaces, no capital letters)
 - Provide working address, phone number, and email address of the presenter
 - List all authors with full affiliations
 - Abstract structure: Background – Material and Methods – Results – Conclusions
 - Abstract length: maximum of 3000 characters (including spaces, tables and legends)
 - Maximum of 2 figures or tables

Abstracts will be selected by an Abstract Review Committee.

Submission deadline: **27 September 2024**

Submit your abstract via the website: <https://www.ph-achd2024.com/>

Following formal check of the rules for submission, you will receive an email confirming successful submission of your abstract.
